

Welcome Humane Indiana Community Partner

Dear Community Partner,

Thank you for your interest in supporting our mission to lead the community in the humane treatment of all animals. Our Community Partner program is designed to deliver mutual value.

When you pledge THREE or more PARTNERSHIP OPPORTUNITIES to Humane Indiana, we will pledge THREE or more BENEFITS to your organization.

It is our goal to make sure you gain from our association and know that we are interested in your success.

Your participation will help our four entities and the good we do together. The **Shelter & Adoption Center** cares for homeless animals and unites them with their forever homes. Our **Estelle Marcus Animal Clinic** promotes the human-animal bond, providing pet care for underserved populations. The **Crisis Foster Program & Food Pantry** provide assistance for families in need. At the **Wildlife Rehabilitation and Education Center**, we care for injured or orphaned wild animals native to Indiana while providing education to the community. The **Resale and Consignment Shop** offers an important Shop Local Gift Center that benefits many local businesses, while supporting the mission of Humane Indiana.

We are excited to get started and work with your team throughout the year!
